

CATHEDRAL ACADEMY
EDUCATING FOR ETERNITY

Cathedral Academy partners with families to provide a quality academic, Biblically-based education to equip both parents and students to impact their culture for Christ.

August 26, 2008

Dear Parent(s),

We've talked about it, dreamed about it, imagined what it would be like - and now we're ready! It's time to put our **Faith in Action** and build a gymnasium.

Cathedral Academy is founded on a heritage of faith – believing God, stepping out in obedience and seeing God provide beyond our imagination. Now, you can be a part of the legacy of family, faith and excellence that started in 1999.

As we begin Cathedral Academy's tenth year, we believe it's time for our students to have a home gymnasium for daily classes, practices, and athletic events. The Generals have consistently advanced and excelled at the state and local levels. Imagine what our teams could accomplish with their own state-of-the-art facility for practice, training, and hosting events.

The scope of this project challenges us to raise funds above the cost of tuition; therefore, we are beginning a two-year capital campaign **Faith in Action**. Over the next few weeks you will hear and see more about **Faith in Action** and how you can participate. I trust that your excitement and anticipation will build as you see our plans for the future.

I'm asking you to join me in preparation for this endeavor. Let's seek God together about how He wants each of us to help bring this vision to reality. In October, we will have an opportunity to make our financial commitments.

It will be an exciting day when we as parents and friends gather on our own bleachers, cheer for our kids, and celebrate together. Our new gymnasium will be a place where the community can experience first-hand what makes Cathedral Academy distinctive among Christian schools, as our athletes demonstrate their commitment to excellence, character and integrity. Now that's doing life together and impacting our culture for Christ!

Sincerely,

Mike Lewis
