EDUCATING FOR ETERNITY

*Cathedral Academy partners with families to provide a quality academic, Biblically-based education to equip both parents and students to impact their culture for Christ.*

October 3, 2008

Dear Cathedral Academy Family,

We are off to a great start with our gym campaign, *Faith in Action*. In the last two weeks, we've gone vertical, adding the steel beam skeleton and external siding. We're excited to see the new athletic home for the Cathedral Academy Generals taking shape.

Academy students are actively involved in fundraising efforts for the gymnasium. The Penny Wars have sparked spirited competition between the classes. Thank you for contributing – we know the source of most of those coins. The Box Tops Campaign is going well, and we look forward to introducing other efforts, such as the Cell Phone Drive and the Publix Partners Program, over the next few weeks.

Now, imagine with me several years from now. You enter the gymnasium with your child or maybe your grandchild. As you walk past one special spot, you pause, remembering ... a night when this center for athletic excellence and family was still under construction. You, along with other families, during a time of dedication and commitment, wrote your family name, a dream, a prayer of faith on a beam, knowing it would forever be a part of the very fiber of this building.

Don't miss this once-in-a-lifetime opportunity on **Wednesday evening, October 15!** You will soon receive an invitation to **Game Day** with more details. You'll get a first look inside the gymnasium. During this time together, we'll dedicate the gymnasium and make our financial pledges.

Enclosed in this letter you'll find a *Faith in Action* pledge card. I encourage you to prayerfully consider what your family will commit to give over the next two years. We anticipate 100% participation by our Cathedral Academy families. Then, on **Thursday evening, November 6, it's rally time!** We'll announce our total commitments and celebrate with a special evening involving you and your children. No gift is too small; remember, your contribution adds up over time.

Thank you for partnering with us as we put our faith into action and watch God continue to move at Cathedral Academy!
