

SHOT REQUIREMENTS

School Year 2010-2011

All children in the following grades must have the required shot and certificates no later than **September 10, 2010**:

- Grades 1-12 must have a record of two MMR vaccines (measles, Mumps and Rubella).
- K5 through grade 12 must have the Hepatitis B series (three shot series) to begin the school year.
- K4 through grade 6 must have the Varicella vaccine (Chickenpox). If your child has had Chickenpox your pediatrician or the State Health Department must indicate accordingly on the SC DHEC Form 1148.

In accordance with state law, your child ***will not*** be allowed to enter school on September 13, 2010 without the required shots recorded on SC DHEC Form 1148. If this form is not on file in the school office by the designated date, your child must be sent home and may not return to classes until all requirements are met.
